

The direct route >> Werk Lambach 1

From SALZBURG on the highway "A1 Westautobahn":

Take EXIT 216-Steyrermühl in the direction of B144/Gmundener-Bundesstraße at "A1 Westautobahn". Keep right at the crutch. Look for signage to Schwanenstadt, Roitham, Lambach, B135, B144. Turn left at the B144/Gemeindepl. Follow the course of the road for about 9,3 km. Then turn right to B1/Klosterpl. At B1/Klosterpl. turn right again. Drive on to B1. Follow the course of the road for about 0,8 km. Afterwards turn right at Hofau.
On the left there is our Plant Lambach 1.

From VIENNA on the highway "A1 Westautobahn":

A1 at the intersection "Knoten Haid" take the highway "A25/E552" in direction of Passau/Wels. At the intersection "Knoten Wels" take the highway A8 in direction of Graz/Salzburg until the Exit "Wels-West". Take this exit to get on the road "B1 Salzburger Bundesstraße" into the direction of Lambach/Schwanenstadt and then the "Wiener Bundesstraße", pass the railroad station of Lambach, go down the hill and turn into the small street before the bridge and follow the street for about 2 km.
