

Plant Nantong 2

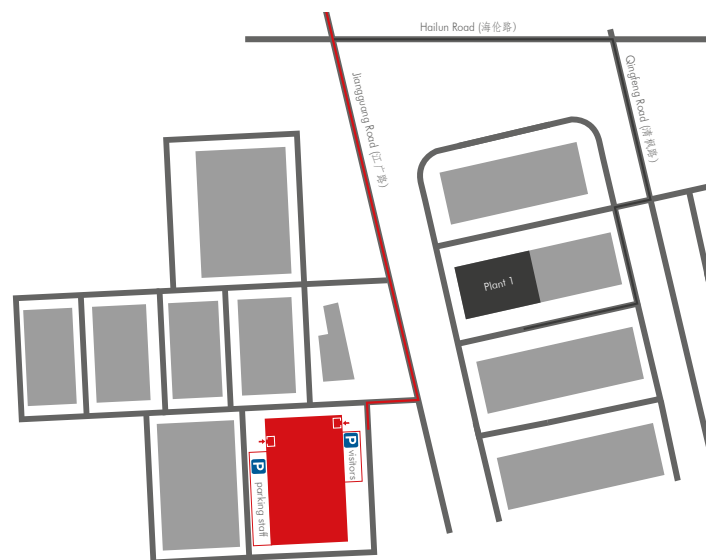

Route plan

From G15 Shenhai highway (G15 沈海高速)

Take the highway G15 until the EXIT S223/Nantong Development Zone (南通开发区), stay left. At the end of the exit (after the tollgate) turn left into Jiangguang Road (江广路). Follow Jiangguang Road (江广路) for about 1 km. Cross the 3rd intersection with Hailun Road (海伦路), passing our plant 1 on the left side. Jiatong industrial park (佳通工业园) is on the right side. Take the second access road after about 400 m. Our plant 2 is on the left side, take the first access road.

From Dongfang Elevated Expressway (东方大道高架)

Follow Dongfang Elevated Expressway (东方大道高架) to its end, stay left and turn into S223 Yanjiang Highway (S223 江公路). Follow S223 Yanjiang Highway (S223 江公路) for about 300 m. At the second intersection turn right into Jiangguang Road (江广路). Follow Jiangguang Road (江广路) for about 1.3 km and cross the 4th intersection. At the left-hand side of the road you pass our plant 1. The Jiatong industrial park (佳通工业园) is on the right side. Take the second access road after about 400 m. Our plant 2 is on the left side, take the first access road.
