

# Warehouse Specialist

STIWA US INC.

Rock Hill, South Carolina

Join our growing U.S. operations in Rock Hill, SC as a Warehouse Specialist and play a key role in keeping our supply chain running smoothly! We're looking for a reliable, detail-oriented individual to manage daily warehouse functions, including receiving, organizing, storing, and distributing materials, tools, equipment, and finished products.

In this role, you'll ensure inventory accuracy, maintain a clean and safe work environment, and support efficient warehouse operations. If you thrive and enjoy hands-on work, we'd love to hear from you!

## » Your Duties

- Manage the daily procedures and functions of the warehouse efficiently and effectively.
- Receive Materials and ensure that those meet the Quality requirements.
- Pick and pack parts with optimum accuracy using warehouse management system.
- Prepare and verify shipping documents and schedule pick up of Material.
- Perform regular inventory counts.
- Provide assembly area with Material.
- Communicate with other departments to ensure all products are received and delivered in a timely manner.
- Keep the storage area clean and organized.
- Perform physical tasks such as lifting heavy boxes or moving large objects, using the forklift.
- Obtain safety procedures and requirements.

## » Your Profile

- Experience as a Warehouse specialist.
- Comfortable working in a fast-paced environment and being able to handle diverse tasks within the department.
- IT knowledge of MS office and outlook.
- Accuracy, diligence, and excellent organizational skills.
- ability to lift up to 50 lb.
- Safely operate forklifts to load, unload, and move warehouse inventory, ensuring compliance with OSHA safety standards.
- Ability to self-manage time, reliability, and willingness to take on responsibility.
- Excellent communication skills and ability to work independently in a growing team.
