Send your application to [jobs@stiwa.com](mailto:jobs@stiwa.com)!

End of application period: 15.04.2022

## THE JOB

- » Be part of one of our agile software development teams with 5 to 9 team-members
- » Used technologies in the teams are Java (main programming language) and Python, TypeScript, SQL, C# (supportive languages (depending on the product))
- » The given tasks are adapted to your preferences and skills
- » You get the opportunity to put your theoretical knowledge into practice in a software development company and get to know a development department from the inside

## YOUR ABILITIES

- » Knowledge in Java and interest in the technologies mentioned before
- » English spoken and written (German is a nice-to-have)
- » Curiosity and enthusiasm for technologies
- » Team spirit and reliability

## OUR OFFER

- » We offer you an exciting job with an Austrian high-tech company
- » Flexible working hours due to our flexitime framework
- » Work in the environment of an experienced and motivated team
- » Accommodation will be provided directly next to the company
- » Internship monthly salary EUR 1.600,- (gross)
